Maxgen Technologies

Web Developer Intern

Ahmedabad, Gujarat
Feb 2023 - May 2023

As a React.js Intern, I contributed to the development of dynamic, responsive web applications, implementing reusable components and optimizing front-end performance. I collaborated with senior developers to design user-friendly interfaces and debugged complex issues to ensure seamless functionality. Gained hands-on experience with state management, API integration, and modern development tools while adhering to best practices in coding and version control.

Projects developed during my tenure at Dechcept Private Limited.

Developed a variety of web projects using WordPress, Shopify, and React, showcasing responsive design and seamless functionality. Focused on delivering user-centric solutions with optimized performance and modern features.
